Head CoachKevin Figsby

Kevin Figsby was hired by the Department of Recreation and Athletics on Jan. 5, 2000 to take over the Concordia Stingers men's hockey program.

Figsby is a successful motivator with more than 20 years of coaching experience at the provincial, national and international levels. He is probably best known for coaching the Lac St. Louis Midget AAA Lions from 1993-'98.

In 1995, Figsby was head coach of the Quebec entry at the world under-17 championship, winning a bronze medal.

Other coaching experience includes: working as a guest coach at the Montreal Canadiens development Camp in July 2003, assisting at evaluation camps for the Canadian national team in 1995 and '97; running up a 26-2 record while at the helm of the summer hockey program for Lac St. Louis Midget AAA Selects and six years with the John Abbott College program.

Since joining the Stingers, Figsby coached the OUA all-stars in games versus the Canadian national junior team. He was the head coach in 2001 and an assistant in 2000.

Figsby was an assistant coach with Canada's entry at the 2005 Winter Universiade in Innsbruck, Austria. He reprised this role at the 2011 Winter Universiade in Erzurum, Turkey.

Figsby has completed his Canadian Hockey Association Level 4 coaching certification. It is the highest level of certification offered by the CHA and is designed to prepare coaches for leadership roles in national and international hockey. Less than 30 Canadian coaches have reached this level.

Figsby was also a respected player. He played his minor hockey with the Ville Emard Hurricanes. He went on to play junior hockey in Quebec, with the John Abbott Islanders and the Bishop's Gaiters.

Figsby and his wife Debbie live in Baie d'Urfé, Que. They have two daughters. Shannon and Keileigh.

High Flying Stingers

A few members of the Concordia Stingers men's hockey team have put up impressive scoring numbers in the first half of the Canadian Interuniversity Sport (CIS) season and will be players to watch carefully on the team's European tour over the holidays and in the last 10 games of conference play.

Third-year centre George Lovatsis leads the country in goal scoring. The Markham, Ont. native has 15 goals and 13 assists for 28 points in 18 conference games this season.

Lovatsis was on a tear leading up to the December break. He collected seven goals and two assists for nine points in his last three games, including back-to-back hat tricks versus the Royal Military College Paladins (Nov. 26) and the Carleton Ravens (Dec. 2).

Second-year right wing Mike Stinziani is in a threeway tie on top of the CIS statistical category for assists. The Montrealer has 21 assists to go along with eight goals for 29 points in 17 games this year.

Stinziani with 29 points and Lovatsis with 28 points rank second and third, respectively, in the CIS scoring race.

Fifth-year defenceman Eric Begin is also proving to be a serious scoring threat this season. He has scored nine goals and added 14 assists for 23 points in 18 games. The Concordia captain ranks No. 2 in scoring amongst the CIS's blueliners.

At the break, the Stingers have a 9-7-2 win-lossovertime loss record for 20 points in the Ontario University Athletics (OUA) East Division standings. They are currently in fifth place in the 10-team conference.

Ten games remain on the regular season schedule, starting with a trip to Kingston, Ont. to meet the Queen's Gaels on Jan. 13. Concordia returns home to host RMC on Jan. 14 at 2 p.m. at the Ed Meagher Arena.

Professions libérales Scotia pour étudiants Liste de vérification

Vos services bancaires actuels pour étudiants sont-ils à la hauteur?

- Tout le crédit dont vous avez besoin pour la durée complète de vos études
- Taux concurrentiels[†]
- Exemption de frais sur le programme bancaire¹
- Accès à vos fonds 24 heures sur 24 et 7 jours sur 7
- Non-remboursement du principal durant 12 mois, suivant l'obtention du diplôme sous réserve de respecter votre limite de crédit
- Options de carte de crédit VISA* qui répondent à vos besoins
- Les conseillers à la petite entreprise de la Banque Scotia en font plus, pour vous aider à mieux travailler, maintenant et plus tard :
 - planification financière
 - gestion de placements
- Un représentant attitré à votre université vous fournira outils et ressources pendant toutes vos études

Si votre ensemble actuel de services bancaires pour étudiants ne répond pas à vos besoins, nous vous invitons à considérer

le programme *Professions libérales Scotia* pour étudiants, qui a été spécialement conçu pour les étudiants qui seront membres de professions libérales.

Une structure incomparable pour un espace de vie exceptionnel.

D'immenses fenêtres, de grands espaces ouverts sans murs porteurs, des plafonds de hauteur désirée: tout ça devient possible grâce à la structure en acier léger des maisons BONE Structure^{MD}. La précision du système de construction permet de bâtir des maisons de caractère à l'architecture séduisante.
